Sir,

With reference to Government-
order no 9899-902
L.F. 2226-96 dated 5th March
1897. para 3. enquiring whether the
cost of one of the Hospital Assistants
sent to madras to be trained as
certificated Sanitary Inspectors is
not debitable to this municipality as
the Senior Surgeon states that there
was delay on the part of this
municipality in replying to his letter.
I have the honor to state that the
Senior Surgeon's letter dated 1st

1st December 1896 was laid before the Board at its ordinary meeting held on the 26th December 1896 and the resolution of the Board to send the present Sanitary Inspector who is a passed Hospital Assistant to Madras for being qualified as a certificated Sanitary Inspector was communicated to the Senior Surgeon on the 29th idem. As per his reply no 1853 dated 2nd January 1897 the Sanitary Inspector was ordered to join the Madras Medical College and he joined it in time. Therefore there was no delay on the part of this municipality and there was no necessity for sending another Hospital Assistant for the same purpose.

As the Government in their G.O. no 9117-19 / Lf. 226-96 dated 12th February 1897

sanctioned the extra cost of Rs. 300/- for training the present Sanitary Inspector, to be met out of the Municipal funds, it does not seem fair that the Municipality should be called upon to bear the cost of another Hospital Assistant, whose services are not required for the city of Mysore.
